Project Details

Mr. Pletikosic and Mr. Dachs would like to invite the remaining group to a training exercise at First-Escape. Goal of the project is to discover clues, solve puzzles, and accomplish tasks in one or more rooms in order to fulfill a specific goal in a limited amount of time. Skills such as awareness, collaboration, communication, competitiveness, concentration, creativity, patience, and persistence, will be necessary to successfully reach the goal.

Dates

Announcement of Project: 08.10.2022
Planning session: To be determined
Execution of Project: To be determined
